Subject: Senate Bills 39 and 40

Dear Mr. Woodby:

I am a Michigan resident, and a sportsman, and am strongly opposed to Senate Bills 39 and 40. I feel the language in Bill 39 is inappropriate and would limit the effectiveness of the MI State DNR to complete the mission it has been assigned. Hunting on State land is not only a cherished heritage but also a large contributor to jobs via licenses, fees, lodging, meals, etc etc. Additionally, independent research shows that maintaining early successional forest habitat is essential to healthy populations of not only game species such as grouse, woodcock and deer, but also threatened species such as Kirtland's warblers. Hunters understand this, and are essential in helping the broader population understand it too. Bill 40 is equally offensive and wrong. Please do all you can to defeat these badly thought Bills.

Sincerely,

Richard R. Taylor
